In celebration of the immanent launch of our new theatrical lighting console ORB, we are hosting a special preview event on **Wednesday 25<sup>th</sup> March 2009** and would love for you to join us.

Zero 88 steps into a new era with its stunning new theatrical console – the ORB.

Designed to provide innovative control of the latest LED, Moving Head and Video System technology, the ORB combines extreme flexibility, incredible capability and contemporary styling to create a control solution which is truly out of this world.

Zero 88..... as you have never seen us before.

We have secured a private area upstairs at **Ha Ha Bar & Grill in Charing Cross**, London, and will be open to visitors between **11.30am and 3.00pm**. Please feel free to drop by at any point during this time.

This is an informal session where you will have the chance to see the new console and catch up with the Zero 88 team in a relaxed environment. Light refreshments will be provided.

We look forward to welcoming you.
